Merry Christmas to all! I hope we can all say and mean the greeting we offer to others. Respect for other's holidays and holydays is always appropriate as is pride in our own as Catholic Christians. Please never be embarrassed or ashamed to greet others with the joyful acclamation of our Savior's birth and celebration of this beautiful season. Let us never lose sight or let others take away our appreciation for our rich heritage that our faith and families have cherished through the years. Some folks who have worked so diligently "to make the season bright" are the staff of St. Kateri Parish. We are blessed to have such a competent and dedicated team working each week to make our parish a special place to worship and celebrate faith. My personal thanks for each and everyone of them! ( I suspect that any bells you hear over this Christmas season are our own St. Kateri angels getting their wings. )

Enjoy Christmas to the fullest. Our world needs its joy and hope.

Please consider celebrating Epiphany, January 8<sup>th</sup> from Noon to 3pm, with a tour of the four churches in our Family of Parishes. All of us share the Feast of Christmas. Let us take time to see how other parishes decorate and share the happiness of the season. There is a map and article in today's bulletin as a reminder. ( Rumor has it that Santa is bringing some Christmas cookies to St. Kateri -just in case you need a little nourishment on you tour!)

Again, Merry Christmas from all of us at St. Kateri!

GOSPEL MEDITATION - ENCOURAGE DEEPER UNDERSTANDING OF SCRIPTURE

As we age, time seems to pass more quickly. Years seemingly fly by as one holiday flows into the next, January quickly becomes December and life maintains its hectic pace. What do we accomplish in all of that busyness? Perhaps technology is responsible for some of the frenzy, keeping us isolated in our social media worlds, communicating through texts rather than in person, and always connected to world events. We're over stimulated in many ways by information, noise, opinions, and ideologies. Yet, we still find the time to decorate our homes, purchase gifts, and plan Christmas gatherings. We know, however, that the true meaning of Christmas is not found in twinkling lights, beautifully adorned trees, perfectly set tables or exchanged gifts. We are being called to something deeper and more authentic.

Christmas reminds us to look for God along the way of our lives and not get distracted by the illusions around us. Our world's complexity can leave us feeling displaced, desperate, alone, neglected, and unimportant.

Joseph and Mary felt that way too. In the midst of all that captures and intrigues us in our self-created virtual worlds, is this longing for the anchor of faith to keep us grounded and make sense of it all. Only faith can give us the perspective to see what truly matters in life. We discover our divinely blessed humanity. The uncertain and challenging journey to Bethlehem gives way to the tender moments of birth and its embrace. Christmas softens us and slows us down a bit. It shows us Jesus as the light who enlightens everyone. It shows us the truth.

The faith that comes from Christmas calms our fears and allows us to go into the nighttime of our lives courageously. We are never lost or alone. We need to stop and savor more of life's moments before they slip away in time. God is with us, loving us, and leading us where we need to be. God is born again and again in every soul willing to give birth to His presence. God connects us and provides us with a place where we feel safe and welcome: home. Merry Christmas!

REFLECT AND RESPOND TO SCRIPTURE

First Reading:

Isaiah prophesied of God's promise to send "a child to us" who will be "a great light" and bring us "abundant joy and great rejoicing." **How will you show to others today your joy at the birth of Jesus?**

Second Reading:

Paul teaches Titus that Jesus is "the grace of God" who has come to save all people. In response, we believers are called "to live temperately, justly, and devoutly in this age." **What makes this challenging to do in our time?**

Gospel:

We hear Luke's account of the birth of Jesus. Luke tells us how the message of the angel of the Lord frightened the shepherds. In response, the angel said, "Do not be afraid; for behold, I proclaim to you good news of great joy that will be for all the people ..." **How will your family celebrate today the birth of Jesus, our Lord and Messiah?**

More from the Gift Shop

The Epiphany house blessing traditions that were brought here by our Eastern European ancestors have been mostly forgotten. However, house blessings are still very relevant in our current times. Pope Francis speaks much about "domestic churches"...our homes where we live out our faith in concrete ways each day (not just set aside for church on Sunday). The house blessing can be a way to practice this concept.

The blessing is usually performed by family members who recite a prayer, sprinkle holy water, light incense and chalk the home's entrance doorposts with the inscription "20+C+M+B+23". What looks like a math equation are actually symbols that remind us of our dedication to God in everyday life. The symbols also remind us to be welcoming to all those who enter our homes throughout the year. The numbers 20 and 23 refer to the year of the blessing. The letters are abbreviations of the Latin words, "Christus mansionem benedicat" which means, "May Christ bless this house". The same letters also refer to the Three Kings: Caspar, Melchior & Balthazar. The + signs represent the cross.

We invite you and your families to participate in this meaningful tradition. It provides another opportunity for families to pray together as a domestic church...just as the early Christians did. We have updated the house blessing kits that are available in the Gift Shop. The kit includes chalk, an incense stick, a small bottle of holy water, a house blessing prayer and a small cross. Suggested donation to cover the cost of supplies is \$2.00

**ST. KATERI PARISH GIFT SHOP**

A very Blessed Christmas and New Year to you and your families! We truly appreciate your support throughout the past year. We see the Shop not merely as a fundraiser, but also as a ministry.

We regularly hear stories from customers who report how helpful their gifts have been for families, friends...and even strangers. The gifts have comforted the sick and dying, brought hope to those in despair, and encouraged spiritual growth. The thoughtfulness of our parishioners is remarkable! There are customers who gift prayer coins to cancer patients, make rosaries for the homeless, give comfort crosses to the dying, and send cards of encouragement, sympathy and celebration. Your thoughtfulness and purchases **do** bear fruit.

Sunday, January 8th is the Feast of the Epiphany or the Three Wise Men. We have updated our house blessing kits and they are available in the Gift Shop. It is a very beautiful tradition for the entire family as we ask for God's blessing on our homes, families and visitors in 2023.

**The Gift Shop is closed for the Christmas and New Year weekends**, but will re-open before and after weekend Masses on January 7th.

God continue to bless us, each and every one!

**Lector Schedule for the weekend of December 31st & January 1st**

**Did you know** that the chopping down of the Christmas tree represents the death of Christ and putting it back up represents the resurrection? Did you know that the wreaths we hang are never ending circles that represent eternity? Candy canes were made to look like shepherds hooks and the colors, red Jesus' blood and white purity. The gifts represent the three gifts of the wise men brought for baby Jesus.

So in the rush of this season, stop yourself, take a deep breath and remember we have been given the perfect gift, Jesus Christ was given to us to remove all of our sins.

*Merry Christmas*
