WHAT IS EUCHARISTIC ADORATION?

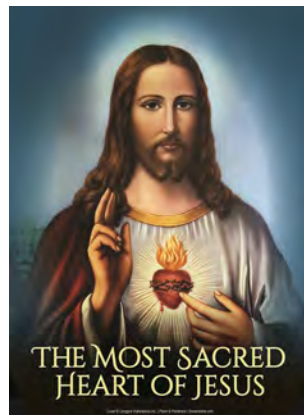

The practice of Eucharistic Adoration is a centuries old ritual and falls within a broader category of devotions and rituals that are associated with the Sacrament of the Eucharist. In a particular way, Eucharistic Adoration is an extension of the worship and adoration of the Blessed Sacrament that occurs in every Mass.

Although adoration of the Blessed Sacrament can never take the place of Eucharistic Communion, many Catholics find great comfort and consolation in their prayers before the Eucharist enshrined in the tabernacle or when it is exposed in the monstrance (both are equally valid, as Christ is not more present in one than in the other). But when we consider our eucharistic devotions, it is always important to remember the fundamental connection these acts of devotion have the celebration of the Eucharist in the Mass and reception of Christ in Communion.

GOSPEL MEDITATION - ENCOURAGE DEEPER UNDERSTANDING OF SCRIPTURE

The Most Holy Body and Blood of Christ

Years ago, a woman at daily Mass approached me in the communion procession. She had her arms crossed, indicating she wanted a blessing instead of the Sacred Host. She had tears in her eyes. I gave her a little blessing. She returned the next day. And the next. The same thing repeated. After a few weeks, I asked her why she didn't receive Holy Communion. She said she wasn't Catholic yet and was preparing to become so. I asked her why she wanted to be Catholic. She said, "Because I long to

be in a real communion with Christ and with everyone I love." That, I submit, is a darn good reason. A few months later, she became Catholic & received the Body and Blood of Christ with unspeakably great joy and still does to this day.

Saint Paul says of the Eucharistic bread, "Is it not a participation in the body of Christ?" For Paul, the answer is obvious. Yes, it is exactly that. Which is why he can say, "we, though many, are one body." Jesus is truly, really, and substantially present in the Holy Eucharist. This is no magic trick, but a mystery of our salvation. He feeds us with the Sacrament of his body so that our communion with him — and with the other members of his body — is built up and becomes mature. That's why the Eucharist quenches our deep thirst for love and communion. The Body and Blood of Christ is the best reason to be Catholic. It's our participation of love in the one we love.

— Father John Muir

LIVE THE LITURGY - INSPIRATION FOR THE WEEK

The Eucharist is the most sacred thing in the world, and yet in his mercy, God has made it accessible. In the Eucharist, God bends to meet us. Appearing under the appearance of our daily nourishment, he makes it not just possible but simple — blessedly simple — to fulfill his commandment.

REFLECT AND RESPOND TO SCRIPTURE

First Reading:

At the end of their forty-year journey in the desert, Moses instructs the Israelites not to forget how God taught them to depend on Him alone. **How might you remind yourself of this important lesson in life?**

Second Reading:

Paul teaches the Corinthians that through the body and blood of Christ, the community of believers are "one body." **Who in your life needs to hear this unifying message?**

Gospel:

Jesus teaches the crowds that through his body and blood believers will obtain eternal life and be raised on the last day. This is the core of our Catholic belief about Jesus. **How do you think we can best celebrate this gift of eternal life?**
