*From the Pastor's Desk by Fr. Terry Kerner,*

The Most Holy Body and Blood of Christ is probably better known by older Catholics as "Corpus Christi". No matter how you remember it or call it, it remains a significant feast for the Church. The feast recalls WHO we are and WHY we are. We Christians share the grace of God as brothers and sisters and live a common life of trusting faith not only in God but in one another. We are, with one another's support, what God expects and hopes us to be. Why? Because to know and care for another human being is to share in our goodness and value. To care is to realize the meaning of Corpus Christ. Think about how you receive Holy Communion and the awesome reality it means for you. You are sharing in the Body and Blood, Soul and Divinity of the Lord. Every bit as much as the person sitting next to you. We're all in good company!

Next Sunday afternoon you are invited to a "family dinner" at St. Kateri. It might be an experience you have not been able to celebrate for a while with loved ones in your busy family. All are invited. Come with friends and family. It is dedicated to the memory of our parents who have provided for us through the years. Though our parents never charged us to eat, we have to! The 12:30 pm Dinner includes city chicken, breaded pork chops, kielbasa, and cabbage rolls all for \$21. Reservations are made with your payment to the parish office or placed in the offertory. Don't wait. Time is short.

I have to sincerely thank all who have supported the CSA drive thus far. After three weeks we are at 63% of our goal, which is the VERY BEST the parish has ever done. Perhaps the fear of our airconditioning giving out this summer inspires our success. Our aging cooling system, which has served us well for a few decades, is giving out. We will use excess CSA funds to replace it. Thanks be to God for generous and heat-adverse parishioners like you!

**Have a great June!**

**GOSPEL MEDITATION - ENCOURAGE DEEPER UNDERSTANDING OF SCRIPTURE**

The best way to understand the Eucharist is to recall God's long, careful teaching process beginning in the Old Testament. This week in Exodus 24, we learn the basic pattern. Moses reads the dictates of God's law to the people, who profess their allegiance to it. Then Moses takes representatives of Israel's twelve tribes and splashes the sacrificed blood of animals in two directions: on the altar and on the people. It's clear and serious business: clear, because the blood-bond with God cause the dead animals death stakes at play.

Many centuries later, at Sinai to teach us Last Supper, like a new "pour out" blood as a new the altar of the cross and the lips of his disciples. They have promised to be obedient to him who is God's law in flesh. This renews and elevates the breath-taking romance God wants with His people, unfolding from Sinai to this Supper. The Body and Blood of Christ is the sacrificial action whereby this covenant is strengthened.

God uses the experience something new. At the Moses, Jesus proposes to covenant. It will land on

How hopeful that, like us, the Israelites and the apostles repeatedly fail to live up to their promises and discover that the blood of the covenant continually renews and refreshes them. Today the blood of Christ faithfully flows, to unite and renew, moving us forward toward where our great teacher is taking us. This week, we should say a renewed "amen" to God who so carefully teaches us how to be one with Him in this new covenant.

— Father John Muir

**LIVE THE LITURGY - INSPIRATION FOR THE WEEK**

Jesus is the Passover Lamb come to fulfillment, and his sacrifice washes our hearts in the blood of the new covenant. He is passing us the cup of salvation. Let us take it and call on the name of the Lord.

**REFLECT AND RESPOND TO SCRIPTURE**

**First Reading:**

We hear the Israelites' enthusiastic commitment to the covenant at Mount Sinai with their words: "We will do everything that the Lord has told us."

**What are you passionately committed to in your life?**

**Second Reading:**

Hebrews teaches us that through his death (Jesus's blood), believers receive the promised eternal inheritance.

**How often do you think about "eternity?"**

**Gospel:**

Jesus taught his disciples that through his death, his body and blood would be shed for many. **How should we show gratitude for such a sacrifice?**

**Prayer of the True Presence**

**My Lord and my Love — Bread of Life, nourish me. Pascal Lamb, restore me. Jesus in the Blessed Sacrament, consume me as I consume you. Amen.**

This feast honors Jesus Christ, Really, Truly and Substantially Present under the appearances of bread and wine. This Presence happens through the change which the Church calls transubstantiation (“change of substance”), when at the Consecration of the Mass, the priest says the words which Christ Himself pronounced over bread and wine, “This is My Body,” “This is the chalice of My Blood,” “Do this in remembrance of Me.” EWTN

**Trivia**

**Question:**  
 What are the three religious vows that consecrated monastic men and women of the Church take?  
 Answer: Page 2

Last month we fed 148 families, feeding 449 people with 5 new families. We are so very grateful to everyone who keeps coming to our pantry week after week with a huge amount of food. If everyone who came for mass each week brought 1 can of food, this would be most helpful. We are now getting into vacation season. Most people go away, so donations are usually down. If you could find it in your heart to help us feed our neighbors in need, this would be wonderful. When we give food to a new client, often they leave here with tears in their eyes. This truly warms our hearts here at the pantry. We all know we are doing God’s work and are very proud of our work. So, without your help we are nothing. A special prayer for all our donators is said every time we gather, and a special prayer will be said for all who travel this time of the year. God bless you and thank you again from all of us at the pantry.
