We are collecting Halloween Candy for the Seminary

It's that time of the year again! Halloween is just around the corner, and Sacred Heart Major Seminary needs your help. Each year the seminary community opens their doors and their hearts to over 2000 children from the surrounding Detroit neighborhood so that the kids can have a fun and safe place to play games and trick-or-treat. But they need your help to make this year a success! They are asking for donations of Halloween candy that will then be passed out to the many kids. If you are willing to participate in this important ministry by donating bags of candy please bring them to the SVDP Food boxes at the entrance of the church or to the parish office during normal business hours.

Prayer for the Mental Health of Youth and Young Adults

Jesus, We pray that, through your holy presence and through us, you might give youth and young adults peace and hope today, as they may face isolation, pressure, loneliness, and marginalization, all of which can affect their mental health and wellness. Help us, we pray, to encounter and accompany the young people in our lives. Give us the courage to advocate for their well-being and respond with pastoral urgency to their needs and concerns. We make this prayer in the name of Jesus Christ, our Lord and Savior, "himself eternally young [who] wants to give us hearts that are ever young" (Christus Vivit, no. 13). Amen.

St. Kateri Tekakwitha, pray for us.

Trivia Answer:

Jesus is condemned to death.

GOSPEL MEDITATION ENCOURAGE DEEPER UNDERSTANDING OF SCRIPTURE

Dorothy Day, the great Catholic activist, doubted God's existence. At least in her early adult years. But something changed when after giving birth to her daughter, she experienced an overwhelming gratitude. She later described how, as she held her daughter, the only appropriate response was a kind of unlimited gratitude. She had done nothing to deserve such a gift — this tiny, miraculous life — but there she was, flooded with gratitude, completely undone by the love of such a Giver.

Something similar occurs in Luke 17:19 when Jesus tells a healed leper, "Stand up and go; your faith has saved you." This man had already received physical healing through his faith. But the moment of an even deeper transformation came when he turned back, fell at Jesus' feet, and gave thanks. Like Dorothy, this man's gratitude led him to encounter the Giver. Isn't that what we want, too? Gratitude to God has the power to break our chains of sadness, bitterness, and disenchantment. It empowers us to step out of the prison of self-pity and into the reality of God's abundant love. It shifts our focus from what we lack to what we have received, from what wounds us to what heals us.

Where do we learn this? The Mass. The priest prays: "It is truly right and just, our duty and our salvation, always and everywhere to give you thanks." Always. Everywhere. Not just when life is easy. Not just when prayers are answered as we expect. Gratitude is not a passive feeling; it is an act of faith. In the eucharist, we remember that Christ himself has given everything for us. And in this act of gratitude, we are healed.

— Father John Muir

LIVE THE LITURGY - INSPIRATION FOR THE WEEK

If we have faith, we call out to God and we beg him for healing. But when our faith is rewarded, what then? Do we take our miracle and run? No, we must return to the source of our healing to say, "You have changed me, Lord. Now help me change others."

REFLECT AND RESPOND TO SCRIPTURE

1st Reading Question:

Naaman was cleansed of leprosy and committed to worshipping no other god except the Lord. **What might be one commitment you could make to the Lord in the coming days?**

2nd Reading Question:

Paul teaches Timothy the importance of perseverance in faith. **What are some obstacles you have had to overcome in life?**

Gospel Question:

Jesus praises the cleansed leper who returned to thank him personally. **Is there someone in your life that you should be thanking?**

Prayer of Gratitude
Dear Lord,

Every day is full of blessings from Your generous hands. Thank You for waking us this morning, filling our lungs with breath. Thank you for the ways You are healing our past, working in the present, and opening possibilities for the future.
Amen.

Why is it so important that we register in a parish? Isn't it good enough that we go to Mass?

Membership requires formally enrolling yourself in a parish. Registration is a commitment to a community. It is also necessary for certain benefits, like scheduling sacraments, obtaining sponsor certificates, and getting donation statements for taxes. Registering in your parish is a statement of faith and confidence in the life and work of your parish. You will be included in our Guide Book and Directory if you want to be added.
